Project: DPaW Boardwalks Swan River

Client: Carleton Constructions, DPaW

Year: 2016

Project scope: Assist Carleton Constructions with set-out, procurement and shop drawings for multiple feature boardwalks along the Swan river. The main structure was a mixture of Aluminium box sections, FRP members and timber. The deck is Jarrah. A seamless finish was required and the results are stunning.

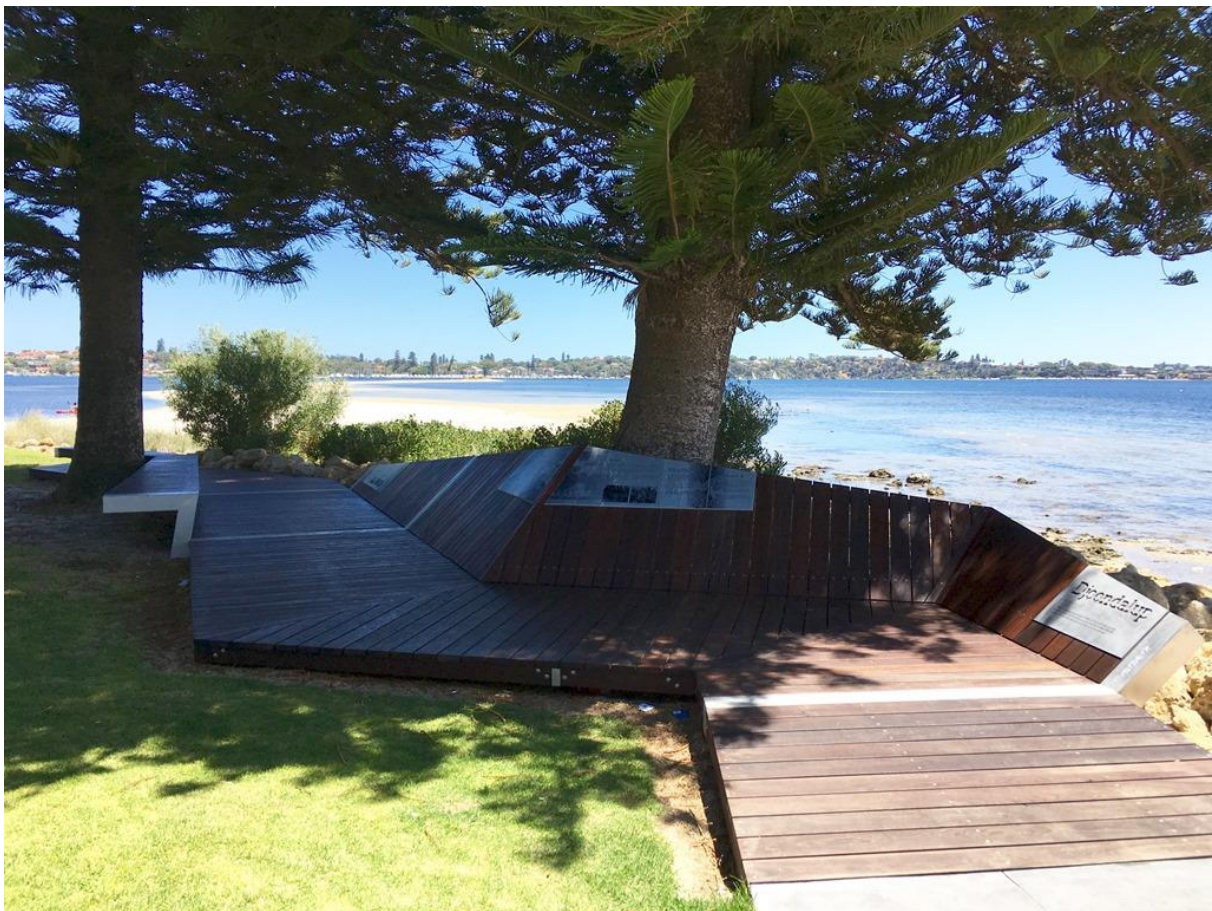

Heathcote Boardwalk completed

Workshop Fabrication from Roam Drawings

Installing the hidden structure at Pt Walter, Bicton

Pt Walter Boardwalk completed
